HOW TO PARTICIPATE:

To take advantage of this wonderful sponsorship opportunity, email the Point U! Boosters with your intent to sponsor a student-athlete and/or coach at pointboosters@gmail.com as soon as possible. You may include your top three preferences for the student-athlete and/or coach to sponsor, but we cannot guarantee that you will be able to sponsor the student-athlete or coach of your choice.

We will take up to two sets of sponsors for each student-athlete and/or coach. Note that sponsors from last year have been given first opportunity to sponsor again. We will take sponsorships in the order in which are received. If you are chosen as one of the sponsors, you will be sent an email to pay via a secure Golden Gopher Fund (GGF) link or you can choose to send a check directly to GGF. **Payment will be due by July 31, 2018 to secure your sponsorship.**

MINIMUM DONATION:

\$500* for student-athletes and assistant volleyball coaches
\$1000* for head volleyball coach

*Total value of benefits for a locker sponsorship is \$50 (includes sponsorship event meals and photo). You have the option of choosing not to accept your benefits and the full value of the donation will then be tax deductible. Should you choose to accept your benefits, your total tax-deductible gift would be \$450 or \$950 per sponsorship (assuming the minimum \$500 or \$1000 donation, respectively).
